

# THE CLINTON BODY COUNT

**NEW!** Updated for Hillary's 2016 run!

My thanks to everyone who took the time to write and suggest corrections. Many changes have been made to this list based on the info sent in and more will be added in the very near future.

In compiling this list I have tried to find as much photographic evidence as I can, but surprisingly (or maybe not so surprisingly) these people in many cases seem to have been erased from the internet!

The following is a partial list of a large number of persons who have recently met their demise in suspicious circumstances who appear to have some connection to the Clintons. I stress partial because new additions are coming in faster than closets can be found to hide the bodies in!

# Lawyer Adams Missing

By the Times Staff

Donald Joe Adams, 55, well-known northwest Arkansas attorney and former Boone County Municipal Court judge, was reported missing Thursday afternoon, Jan. 2. Boone County Sheriff's Department officials have confirmed.

According to authorities, Adams left home for work Thursday morning and has not been seen or heard from since.

The Boone County Sheriff's Office was notified of his absence by his wife, Linda, who said he normally called her when he was in court as he was scheduled Thursday.

Adams was seen entering his office that morning but "he didn't pick up his mail or any of the ordinary things," Boone County Sheriff's Office Capt. Kyle Wolfe said. "We're all dumbfounded."

Boone County Sheriff's Investigator C.L. Bergeron said the back door of Adams' office was found unlocked Thursday.

A search of Boone County Thursday and Friday turned up nothing to indicate Adams' whereabouts, according to Bergeron.

"Boone County has been checked and double-checked," he added.

An airplane was called to check the Bull Shoals Lake area, and the Baxter County Sheriff's Department dispatched a helicopter to check the nearby lakes area along with White River and Crooked Creek.

Friends checked familiar sites in Marion County, where Adams used to live.

Lt. Jeff Atkinson of the Boone County Sheriff's Office said a search of Newton County was conducted Saturday, Jan. 4, after authorities were notified that Adams was possibly sighted driving down Highway 7 South Thursday morning.

The search was conducted by Boone County law enforcement officers and concerned friends, the National Park Service and Newton County Sheriff's Office personnel but turned up no additional information on Adams.

"We're at one of those points where you just don't know where to look," Atkinson said. "Officers are checking the area and not coming up with anything."

Authorities report a note was left on his computer but the content of the letter was unclear.

Wolfe said there is no reason at this point to suspect foul play.

Atkinson said that both Adams and his vehicle have been registered with the National Arkansas Crime Information centers.

OZARKS: City of Springfield gets in on

GOOD MORNING

Springfield police officers examine the body of Arkansas lawyer Donald Joe Adams, who was found shot to death Tuesday in a vehicle in the parking lot of St. John's Regional Health Center.

## Arkansas lawyer found dead in car

By Ron Davis  
News Leader

A prominent Arkansas lawyer and former judge missing since Thursday was found shot to death Tuesday in a Springfield hospital parking lot.

The death of Harrison attorney Donald Joe Adams, 55, appeared to be suicide, said Greene County Medical Examiner James Spindler.

The former Boone County, Ark., municipal court judge was last seen about 7:30 a.m. Thursday in a red Oldsmobile sport-utility vehicle after arriving at work.

About noon Tuesday, a patient or employee of St. John's Regional Health Center parked next to a red Oldsmobile Bravada and saw a person slumped over the driver's seat, said Lt. David Nokes said.

"They contacted security, who in turn contacted us."

At 12:10 p.m., police peered into the Bravada and saw Adams' body, with at least one gunshot wound to the head, Nokes said. A small-caliber rifle, perhaps a .22, was also in the vehicle.

A note dated Friday was also found, but Nokes would not divulge its contents.

Police believe Adams had a relative in Springfield.

Friends said he had serious health problems during the past year but seemed to be improving.

It was unclear how long Adams' body had sat in his Oldsmobile, parked behind the ambulance garage, Nokes said. The body was not extensively decomposed, but the weekend's cold weather could have preserved it, if

Adams had been there since Friday.

Adams, who was known as a fun-loving guy, had been the subject of an extensive search in his home county. Police there said they combed through his office and found a note on his work computer, but did not say whether it was a suicide note.

Van Younes, a former longtime law partner, described his style:

"He could shoot from the hip. He could relate with the jurors; he could cry with the witnesses. He wasn't one of the modern lawyers that would take advantage of technicalities."

"He's what we'd call a country-style McLock."

Reporter Laura Buser McNew contributed to this report.

## **John Ashe**

### **Former United Nations General Assembly President**

Died: June 22, 2016

Initially reported as having died from a heart attack, John's throat had obviously been crushed. At that point the official story changed to him accidentally dropping a barbell on his own throat (the plotline from the episode "An Exercise in Fatality" from the TV series "Columbo.") crushing his larynx.

Ashe was about to begin trial for a bribery charge involving Chinese businessman Ng Lap Seng, who had been implicated but not charged in the 1996 "China-gate" scandal for funneling illegal donations to Bill Clinton's re-election fund through Arkansas restaurant owner Charlie Trie. Ashe was supposed to testify about Hillary's links to Ng Lap Seng later the same day he died.

## Robert Bates

### Barry Seal's aircraft mechanic at Mena

Died: March 29th, 1995

Robert Bates supposedly died of an "overdose of mouthwash". Regarded by local authorities as an obvious homicide.

---

## Gandy L. Baugh

### Attorney representing Mr. Lassater in a case concerning alleged financial misconduct.

Died: January 8, 1994

Died in an alleged suicide by jumping out of a window of a multi-story building. - Mr. Lassater was a close associate of Gov. Clinton, and was later indicted on drug related charges, among other things. Baugh's law partner was "suicided" one month later on February 9, 1994.

## **Admiral Jeremy Boorda**

### **Chief of Naval Operations**

Died May 16th, 1996

Boorda supposedly went home for lunch and decided to shoot himself in the chest twice, using two guns, rather than be interviewed by Newsweek magazine that afternoon.

Explanations for Boorda's suicide focused on a claim that he was embarrassed over two "Valor" pins he was not authorized to wear.

Former CNO Admiral Elmo Zumwalt said on the May 17 Larry King Live show that Admiral Boorda was not only authorized to wear the "V" on his medals, but that he had personally authorized him to do so when he was serving as Commander Naval Forces Vietnam.

When it turned out that Boorda was entitled to those decorations, blame shifted to stresses over the down sizing of the Navy, and even (Washington Times) the adverse affect that feminism was having on the Navy's morale.

Boorda supposedly left two suicide notes, neither of which was released.

On Thursday, June 25, 1998, Navy Secretary John Dalton formally acknowledged that Boorda had been entitled to wear the decorations.

So, like Brown, and like Foster, the proximate cause for the "suicide" turns out to be fraudulent.

## **Ron Brown**

### **Former Chairman, DNC; Commerce Secretary**

Died: May 3, 1996

Ron Brown died along with 39 other people when the T-43 (a converted 737 used by the Air Force) carrying the group on a trip to Bosnia crashed while approaching the Dubrovnik airport. On the verge of being indicted and having stated publicly his willingness to make a deal with prosecutors, Ron Brown's death brought to an end his ability to testify. The very next day, Ron Brown's personal lawyer was murdered in a drive-by shooting. A few days later, the Air Traffic Controller who had been in charge during the aircraft crash was found dead and declared a suicide.

On leaving Ron Brown's funeral, President Bill Clinton was seen laughing and joking ... until he saw the camera, then he went into his sad act!

# Brazilian man who filmed White House shooting dies

Deutsche Presse Agentur

SAO PAULO, Brazil — A Brazilian businessman who witnessed a young man firing shots at the White House in Washington last month and filmed the scene with his video camera has died, his doctors announced in Sao Paulo on Sunday.

The businessman, Caetano Carani, apparently died of food poisoning on Saturday, his doctors said. He was to fly to the United States next month to be a witness in the trial of the man suspected of firing the shots at the White House.

Carani had been walking near the White House on Oct. 29 when Francisco Duran, 26, was seen fir-

ing up to 30 shots at the White House.

No one was injured in the incident. Duran may face charges of attempted murder.

The businessman had suffered from an acute infection shortly before his death, the source of which had not been clear. Whether Carani had become infected while in the United States or after returning to Brazil on Nov. 11 was not known.

## **Danny Casolaro**

### **Journalist**

Died: August 10, 1991

Casolaro had been working on a project he called "The Octopus." Casolaro had started his investigation over the Justice Department's theft of a software package called PROMIS from a company called Inslaw.

PROMIS stood for "Prosecutors Management Information System" and it was a law enforcement database system that included a feature unique for the time. This was a module that could be programmed to automatically access other databases, in order to present to the user a single picture of financial transactions or suspects from multiple sources. This made it a powerful spying tool, and the US modified their version to include a back door, then made gifts of the software to other governments.

All this was happening at the same time as the CIA's clandestine gun and drug running operation to supply the Nicaraguan Contras with untraceable weapons. A totally illegal operation (which violated the Boland Amendment and the Logan act) the US end of the smuggling pipeline was located in [Mena, Arkansas](#) under the protection of then-governor Bill Clinton. The arming of the Contras was funded by smuggling vast quantities of cocaine into the US (a violation of drug laws) and then laundered through various banks, land flips, and a state agency, the Arkansas Development Finance Authority, created by Webster Hubbell and signed into law by Bill Clinton.

The shoot down of one of the CIA planes by Nicaragua and the capture of CIA asset Eugene Hasenfus blew the cover off of the operation and it became known as the Iran-Contra affair. During the Congressional hearings into the scandal, attention was focused on the gun-running, and all mention of the CIA's cocaine flowing into the US was kept from the public eye by the Committee chairman, Hawaii's Senator Daniel Inouye (a

fixture in Hawaii going back to the CIA's smuggling of heroin from Vietnam back to the US).

Casolaro apparently stumbled over the existence of a vast network of government operatives and politicians all linked together by the vast wealth acquired from the selling of CIA cocaine in the US and was working on a book exposing the government-sanctioned drug running when he was found in a bathtub in a hotel room, his wrists both deeply slashed in a manner that the pathologist declared did not appear to have been done by Danny himself. In particular, the deep cuts severed the tendons of the fingers, which would have made it impossible for Danny to slash his other wrist with the now useless hand.

Despite this, the official verdict was suicide, although none of Danny's friends and families believed that, especially those who had been direct witnesses to the many death threats he had received.

When found, the large accordion file of the notes for his new book had disappeared from his hotel room.

# **William Colby**

## **Director of Central Intelligence (ret)**

Died: April 27(?), 1996

William Colby had been the DCI from 1973 to 1976 under Nixon and Ford.

At age 76, Colby had found a new career and had just started writing for Strategic Investment at the time of his death. This had worried many insiders in the intelligence community who felt that Colby had already divulged too many of the CIA's secrets in the

preceding years. Indeed, his dismissal by Ford because of his over-cooperation with Congressional investigations into CIA wrongdoing. It was Colby who had revealed to Congress the plans to kill Fidel Castro, the spying on American citizens (in direct violation of the CIA charter) and the conducting of biological tests by the CIA on unsuspecting citizens. George Bush replaced him.

According to the original CNN report, Colby was reported missing by neighbors who "recovered" his canoe, by one story from under the dock at Colby's house, by another report, 1/4 of a mile downstream from Colby's home.

Colby was by all report a methodical, tidy man, yet police found his home unlocked, his computer on, and a partly eaten dinner on the table. The official story is that Colby just put down his fork and decided to drop everything and go canoeing.

Colby at 76 was still a world-traveler and consultant to many corporations. He recently became an editor of an important financial newsletter, "Strategic Investment," which covered the Vince Foster "suicide" in detail. Its editors hired three renowned handwriting experts to investigate Foster's suicide note, which hadn't been found when his briefcase was first searched, but later materialized, torn into pieces, with no fingerprints on any of the pieces. Upon comparing this document with others of Foster's writings, these experts declared it was a forgery, and a not very good one at that.

Colby had old enemies as well as new, with plenty of motives for his extermination. He was in charge of the infamous Operation Phoenix during the Vietnam War, in which more than 20,000 South Vietnamese citizens -- supposedly Vietcong sympathizers -- were rounded up, tortured and executed. In the 1970s he opened some of the secrets of the CIA to Congress: "Colby insisted on going public about the agency's role in tapping the telephones and opening the mail of Americans; plotting the assassination of Fidel Castro, and using human guinea pigs for mind-control experiments involving LSD," the Times reports.

On Monday, May 6th, Colby's body was found just 20 yards from where his canoe had been recovered, in an area that had been thoroughly searched several times by helicopters and search teams.

Most notable about the body was the absence of a life jacket, which according to his wife, Colby always wore on the water.

As has since been proven to have happened in the [JFK Jr. case](#) false stories were being deliberately planted in the media, including one quoting Mrs. Colby herself as having been told by William Colby by phone that he was going canoeing. Mrs. Colby denied any such story. The week that he died, Colby was scheduled to meet with the Disclosure Project.

Died: March 1, 1994

Killed, when his plane exploded. Cause unknown.

## [Vincent Foster](#)

**Deputy White House Counsel**

Died: July 20, 1993

Found dead in Ft. Marcy Park in Washington, DC, of a supposed suicide by gunshot. A suicide note was supposedly found a few days later, torn into several pieces, in his briefcase, after his office had been entered by White House staff and materials removed.

The "suicide" note, (leaked despite official efforts to keep it from view) has since been revealed to be a forgery.

The gun which he supposedly used to kill himself was reported to be still in his hand, but the person who first found the body reports that there was no gun at that time. Many irregularities surround the death and the investigation of it. For one thing, neither Foster's fingerprints or blood were on the gun he supposedly inserted into his mouth and fired. There was no blood on Foster's hands.

Foster was also from Hope, Ark., like Clinton, and also worked for the Rose Law firm. Foster had intimate knowledge of the Clintons' personal finances. Foster was involved in an investigation of their finances, and reportedly made a phone call to Hillary Clinton, in Los Angeles, just hours before his death. Foster had been called to testify to Congress about the records Hillary refused to turn over. Another possible motive for the murder relates to the Clinton Presidential Blind Trust, being prepared by Foster, but six months late. Testimony during the Whitewater hearings suggests the trust was fraudulent, with the Clintons retaining control over much of their finances, in order to profits from inside information.

Recently, the signed report of M.E. Dr. Donald Haut was uncovered at the National Archives, proving that Foster had a previously unreported gunshot wound to his neck.

Finally, an FBI memo surfaced dated the day *after* the date of the official autopsy, in which the pathologist informed the FBI that there was NO exit wound.

Died: June 23, 1994

Investigating Madison Guaranty. Reported to have succumbed to viral pneumonia (See attack on Russel Welch). His 300-page report has never been released. Stanley had been at a Cotton Carnival Party on a Friday night. He was supposed to escort his wife all week during the 7 day event, but told her he couldn't as something important was going down. He has recently left the law firm in Little Rock where Hillary C worked and set up a small office in Memphis. On that Friday night I saw Stan and spoke to him briefly. He seemed extremely nervous & about to jump out of his skin. The word circulated throughout the party that he had been involved in some secretive issue that was under the microscope. Soon after that we were told by his wife that he had flown up to a NE University to give a speech on a Saturday. He checked into the provided dorm room, by the university employees that said he looked fine. When they called up to his room later in the day he didn't answer the phone, so they went to check on him and found him dead. The death was declared due to viral pneumonia. His wife has tried to get the hospital records, but they were sealed by Janet Reno under presidential orders of Clinton. Over that weekend his Memphis office was broken into and the only noticeable thing taken were his files. His 300 page report was never released.

## Sandy Hume

### Journalist

Died: February 2, 1998

On Sunday, February 22nd, 1998, Sandy Hume, the 28-year-old son of journalist Britt Hume, was reportedly found dead in his Arlington, Virginia home. Aside from the statement that this was an "apparent" suicide, there remains in place a total media blackout on this story, possibly out of concern that the actual facts will not withstand public scrutiny. Indeed, it was reported in Associated Press that the Arlington Police were not responding to any inquiries.

Hume was a reporter for The Hill magazine, newspaper about Congress for Congress, and had broken a major story in 1997 regarding the friction between House Speaker Newt Gingrich and a faction led by Representative Paxon (who announced his resignation just 24 hours after Hume's death).

In addition, Sandy Hume had just joined the staff at Fox TV News and was just three weeks into a job that represented the pinnacle of his young career. Oddly enough, aside from echoing the one Associated Press story, the Fox News website has ignored the death of its newest commentator.

Sandy already had a reputation for getting the story that nobody else wanted to look at. It is worth noting that his death came hard on the heels of reports that "a reporter" was about to break a story confirming the White House's use of investigators to dig up dirt on critics.

It has recently been confirmed that the man who performed the as-yet-unreleased autopsy is none other than Dr. James C. Beyer, who has a record of concealing homicides behind a ruling of suicide.

Kenneth Starr's "suicidologist" Dr. Alan L. Berman has waded in again and as he did in the Foster death ruled it "100% certain that this is a suicide and can be nothing else".

## Kevin Ives & Don Henry

### **Witnesses**

Died: August 23, 1987

Initial cause of death was claimed to be the result of passing out on a railroad track in Arkansas after smoking twenty marijuana cigarettes. This ruling was reported by the State medical examiner [Fahmy Malak](#), and supported by Sheriff Jim Steed, whose "thorough" investigation of the crime scene left one of the boy's foot sitting in the open for two days! In April 1988, Kevin's body was exhumed, and another autopsy was performed, this one by Atlanta medical examiner Dr. Joseph Burton who discovered that Kevin died from a crushed skull prior to being placed on the tracks. Don Henry's body was exhumed and discovered to have been stabbed in the back prior to being placed on the tracks. Governor Bill Clinton excused Fahmy Malek's "errors" saying that Malek was "tired and stressed out." [Reports indicate that Ives & Henry might have stumbled upon part of the Mena drug operation](#), specifically a drop site in the area of Bauxite and Alexander, Arkansas. The police chief of Alexander, John Brown, acknowledged he obtained a taped confession from one of the murderers of the two boys, which was [suppressed at the request of the FBI!](#)

Jean Duffey headed up Arkansas' 7th District drug task force in 1990. She was never allowed to conduct a thorough investigation of drug running in Mena or any possible connection to the train deaths. Her task force and a federal grand jury were shut down after they started examining corruption involving public officials.

Dan Harmon was a local government official, the prosecuting attorney for Saline, Grant, and Hot Springs counties in 1979 and 1980 and then again from 1991 through 1996. He was convicted in June of 1997 on drug, racketeering, and extortion charges and has started serving eight years in prison. In January 1991, long before his drug offenses became public knowledge, Harmon convinced a judge to subpoena evidence obtained by Jean Duffey's task force -- evidence gathered against him and other public officials. Ms. Duffey refused to honor the subpoena, fearing for the lives of witnesses (many of whom did turn up dead) and fled the state when a warrant was issued for her arrest.

## **Gary Johnson**

### **Witness**

Attacked: June 26th, 1992

Beaten near death and left for dead. Someone in the Clinton organization sent 3 goons to beat up and almost murder Gary Johnson, who was Gennifer Flowers' neighbor. Gary Johnson had a security camera installed at his condominium and by chance he had many tapes of Bill entering Gennifer's condominium, while governor and married to Hillary). Gary's tapes were taken.

## **John Jones**

### **Julian Assange's lawyer**

Died: April 18, 2016

John Jones, QC, was killed when struck by a commuter train on his way to work. The police immediately declared the death as non-suspicious. The Q.C. initially said it was not suicide. Great Britain has the highest per-capita presence of surveillance cameras of any nation in the world, yet no video has been forthcoming as to just how Jones wound up in front of that train. John Jones was working to prevent the extradition of Julian Assange to the United States. Assange and WikiLeaks have produced some of the most damaging information about Hillary Clinton's scandals.

## [John F. Kennedy, Jr.](#)

### **Potential Candidate for Senator from New York.**

Died: July 16, 1999

Within days of an NBC Dateline story hinting at a possible run for the Senate seat currently assumed to be the property of Hillary Clinton, JFK Jr. and his wife and sister-in-law died when the Piper Saratoga II TC JFK Jr. was piloting crashed in to the ocean just short of Martha's Vineyard. The NEWSWEEK issue for the following Monday, which NBC Dateline had reported would announce JFK Jr's candidacy, was yanked from distributors and destroyed.

Even before the wreckage of the plane had been found, the media was saturated with news stories declaring the weather to have been very hazy (the weather was VFR conditions, and 8 mile visibility, plus weather radar and witnesses on Martha's Vineyard all reported clear skies) making it impossible for JFK Jr. to know which way was up (he also had working instruments in the aircraft).

As was the case when [TWA 800](#) was shot down, the United States Navy took control of the crash site, ordering an unprecedented 5 mile wide no-fly zone while the wreckage of the aircraft was recovered and taken to a military base.

Reporters [Cindy Adams](#) and [Andrew Goldman](#) have documented the planting of false information about JFK Jr. in the media in the days following his crash. The feeding of false information to the press proves there is a cover-up. The existence of a cover-up is why JFK Jr. gets an entry on the Dead Bodies List.

According to some reports, Mrs. Kennedy was pregnant.

## **Jordan Kettleison**

### **Witness to the Train Deaths**

Died: June 1990

Kettleison had information on the Ives & Henry deaths. He was found shot to death in the front seat of his pickup.

---

## **Johnny Franklin Lawhon, Jr.**

### **Witness**

Died: March 29, 1998

In the spring of 1997, a tornado ripped through some junked cars at Johnny's transmission and opened up the trunk of a car that proved to have a box of Whitewater records in it, including a copy of a \$27,000 cashiers check drawn on Madison and payable to Bill Clinton. Johnny Franklin Lawhon, Sr. realized what he was looking at and turned the box of documents over to the FBI.

According to police, Lawhon Jr. (the son) and a friend hit a telephone pole at a high rate of speed after their car had become airborne and left the road. They had driven less than 1/4 of a mile at the time of the accident.

This manner of death is similar to the single vehicle accidents that killed Paula Grober, and Neil Moody.

## **Shawn Lucas**

### **ATTORNEY**

Died: August 2, 2016

On July 3, 2016, Shawn Lucas and filmmaker Ricardo Villaba served the DNC Services Corp. and Chairperson Debbie Wasserman Schultz at DNC's headquarters in Washington, D.C., in the fraud class action suit against the Democrat Party on behalf of Bernie Sanders supporters.

"YOU GOT SERVED!" DNC and Debbie Wasserman Schultz get served in Wilding class action  
<https://www.youtube.com/watch?v=D3FMgZruOXE>

This was before Wikileaks released documents proving, the DNC was working against the Sanders campaign during the 2016 primary.

Shawn was found dead by his girlfriend. He had been in perfect health and did not do drugs. The authorities are refusing to disclose the cause of death even after three weeks. Meanwhile, the DNC is trying to delay the lawsuit until after the November election by saying Lucas did not "properly" serve the papers ... with Lucas conveniently unable to testify on his own behalf.

## **Mary 'Caity' Mahoney**

### **White House Intern**

Died: July 6, 1997

An attractive 25-year-old woman, Mary was a former White House Intern for Bill Clinton working as the Assistant Manager at a Starbuck's Coffee shop in Georgetown.

In the pre-trial publicity surrounding Paula Jones lawsuit Mike Isikoff had dropped hints that a "former White House staffer" with the initial "M" was about to go public with her story of sexual harassment at 1600 Pennsylvania. Just days later, gunmen entered the Starbucks while the crew was cleaning up after closing.

Mary's two associates, Aaron Goodrich, 18 and Emory Evans, 25, were taken to a room and shot. Mary herself had five bullets in her, from at least two different guns, most likely with silencers. A total of ten shots were fired; none of them heard by neighbors in the densely populated Georgetown section.

Mary was shot in the chest, her face, and in the back of the head. Someone wanted her *very* dead. Or to send a message.

Even though more than \$4000 remained in the store, the police have categorized the triple murder as a robbery, even as they acknowledge the "execution style" killings.

There was no sign of forced entry, which means that either Mary or one of the employees let the killers in (at least one hour after closing). That means that the killers included at least one person known to the victims.

One report is that the Starbuck's was still locked when the bodies were found the next morning. Robbers don't bother locking doors.

George Stephenopolis, Monica Lewinsky, and Chelsea Clinton were all regulars at the Starbuck's.

Carl Cooper, the man charged with the Starbuck's murders on the basis of a confession has now recanted that confession, claiming that it was obtained under coercion (not unlike that of James Earl Ray).

A affidavit filed by NOAA's Sonya Stewart, confirms that the Department of Commerce was selling trade mission seats in exchange for campaign donations, and illegally blocking FOIA requests. Named in the affidavit as the White House staffer directly connected to this obstruction was Doris Matsui. Doris's assigned intern during this period was Mary Mahoney.

## **Lieutenant General David J. McCloud**

**Commander of Alaskan Command, 11th Air Force and the Alaskan North American Aerospace Defense Command Region, headquartered at Elmendorf Air Force Base, Alaska.**

Died: July 26, 1998

On July 26, 1998, McCloud died, when his YAK-54 aerobatic plane crashed, allegedly from sabotage. McCloud was one of several flag officers (including Admiral Boorda), who had assembled evidence against President Bill Clinton, leading to his arrest.

---

## **Christine M. Mirzayan**

### **White House Intern**

Died: August 1, 1998

On August 1, 1998, yet another young female government intern with the initial "M", Christine M. Mirzayan, was murdered, beaten to death with a heavy object near Georgetown University.

Eventually, Mike Isikoff's "former White House staffer" finally surfaced and it's NOT Mary Mahoney or Christine M. Mirzayan, but Monica Lewinsky. If the killing of Mary Mahoney and Christine M. Mirzayan was to silence a "bimbo eruption", they got the wrong woman! (Just how many of the interns was Clinton getting oral sex from anyway??)

## **Florence Martin**

### **Accountant subcontracting to CIA**

Died: October 30, 1994

Related to the Barry Seal case. Dead by three gunshot wounds to the head. ### **Clinton Associate**

Died: May 15, 1997

Shot in the head. Declared a suicide.

## **James McDougal**

### **Crook**

Died: March 8, 1998

Jim McDougal was serving his 3-year sentence for bank fraud at the Fort Worth Federal Medical Center in Texas, a facility operated by the federal Bureau of Prisons for inmates who need medical attention.

Just prior to another round of testimony before Kenneth Starr's grand jury, and while the reporters who were covering that story were two hours away covering a standoff situation in Waco that just "went away", Jim McDougal suffered a heart attack while in solitary confinement. Left alone for too long, when Jim McDougal was taken out of solitary, instead of attempting to defibrillate his heart with equipment on hand at the facility, he was driven over to John Peter Smith hospital. Not the closest hospital to the Fort Worth

Federal Medical Center, John Peter Smith hospital is a welfare hospital, where (in the words of one local) , "They let interns practice on deadbeats".

NEW! The Fort Worth Star-Telegram acquired the official report of the McDougal death via a Freedom Of Information Act request, and report that [doctors ignored McDougal's signs of imminent death](#).

## **Keith McKaskle**

### **Witness to the Train Deaths**

## **James "Dewey" Milam**

### **Witness to Mena drug operation and Henry/Ives murders**

## **Ron Miller**

### **Witness**

Died: October 12, 1997

Ron Miller, investigated by authorities over the sale of his company, Gage Corp. to Dynamic Energy Resources, Inc. was the man who tape recorded Gene and Nora Lum and turned those tapes (and other records) over to congressional oversight investigators. The Lums were sentenced to prison for campaign finance violations, using "straw donors" to conceal the size of their contributions to various candidates. Indeed, Dynamic Energy Resources, Inc. had hired Ron Brown's son Michael solely for the purpose of funneling \$60,000 through him to the Commerce Secretary, according to Nolanda Hill's testimony.

Reportedly a healthy man, Ron suddenly took ill on October 3rd, and steadily worsened until his death 9 days later. (This pattern fits Ricin poisoning.) Owing to the strangeness of the illness, doctors at the Integris Baptist Medical Center referred the matter to the Oklahoma State Medical Examiner's Office.

The Oklahoma State Medical Examiner's Office promptly ran tests on samples of Ron Miller's blood, but has refused to release the results or even to confirm that the tests were ever completed.

## **John Millis**

### **Staff Director of the House Permanent Select Committee on Intelligence Committee**

Died: June 4, 2000

Millis had just helped the HPSCI complete it's "investigation" into alleged CIA cocaine smuggling which predictably (given that Millis was himself a long time CIA agent)

concluded that the CIA was innocent of all allegations of wrongdoing. Fairfax, Virginia police were tipped off by an anonymous phone call claiming that "a man" was threatening suicide in a motel room. Police arrived to find Millis dead of a gunshot wound. As was the case with Vincent Foster and Sandy Hume, the death was immediately declared a suicide.

## **Joe Montano**

**Chairman DNC (before Debbie Wasserman Shultz) and Regional Director for Tim Kaine**

Died: July 25, 2016

## Neil Moody

Died: August 25, 1996

Following Vincent Foster's murder, Lisa Foster married James Moody, a judge in Arkansas, on Jan 1, 1996.

Near the time, Susan McDougal first went to jail for contempt, Judge Moody's son, Neil died in a car crash. There were other reports that Neil Moody had discovered something very unsettling among his stepmother's private papers and was threatening to go public with it just prior to the beginning of the Democratic National Convention. He was alleged to have been talking to Bob Woodward of the Washington Post about a blockbuster story. Witnesses said they saw Neil Moody sitting in his car arguing with another person just prior to **HIS CAR SUDDENLY SPEEDING OFF OUT OF CONTROL AND HITTING A BRICK WALL.**

---

## **Tony Moser**

### **Anti-Corruption Journalist**

Died: June 10, 2000

Tony Moser, a critic of the Arkansas Democratic Party political machine, was killed as he crossed a street in Pine Bluff 10 days after being named a columnist for the Democrat-Gazette newspaper and two days after writing an article, which exposed the looting of programs designed to obtain money from "dead beat" parents to then give to their children.

The police declared that no crime had been committed since the anonymous driver of the 1995 Chevy Pickup truck that struck and killed Moser was not intoxicated nor was he speeding. In Arkansas, that apparently makes it legal to run down a politically unpopular journalist.

His family reported, that shortly before his death unknown persons were following them and their home had been broken into (despite a top quality alarm system). Parks had been compiling a dossier on Clinton's illicit activities. The dossier was stolen.

When news of the discovery of Vincent Foster's body came over the news, Parks is reported to have said, "I'm a dead man." He had told his wife, that Bill Clinton's people were "cleaning house" and he was "next on the list".

## **C. Victor Raiser II**

### **National Finance Co-Chairman, Clinton for President Campaign**

## **Montgomery Raiser**

### **Son of C. Victor Raiser II**

Died: July 30, 1992

Both men died in a private plane crash in Alaska, one day before a scheduled interview with John Hillyer. The crash was blamed on the pilot, who survived. Five others not connected to Clinton died in the crash. DeeDee Meyers described Raiser as a "major player" in the Clinton organization. Victor raiser was also chairman of Mobile Telecomm

Technologies Corp., whose subsidiary, SkyTel Corp. is an international paging company used by federal police agencies such as the FBI.

Victor Raiser was a Washington lawyer and he was counsel to the Washington law firm of Jones Day Reavis & Pogue until 1991. At his death, he was the national finance co-chairman of the Clinton for President campaign. The campaign's press secretary, Dee Myers, described him as a "major player" in the Clinton organization. He and his wife had been friends of the Clintons for ten years. He was the past national finance chairman of the Democratic National Committee. He served on the boards of the Democratic Business Council and the Center for National Policy and the board of advisers of the Democratic Leadership Council.

On May 29, 1993, President Clinton announced, that he had selected Raiser's widow, Molly Raiser, 50, former Democratic co-chair of the Women's Campaign Fund, to be his protocol chief and stated, that he planned to nominate her for confirmation as an ambassador.

## **Seth Conrad Rich**

### **DNC Voter Expansion Data Director**

Died: July 10, 2016

Seth Conrad Rich was shot several times in the back a block from his home in D.C.'s neighborhood of Bloomingdale. The police declared it a robbery gone bad, but nothing had been taken; Seth still had his wallet, watch, and cell phone.

One possible motive for his assassination lies with the WikiLeaks dump of 20,000 DNC emails which proved the DNC was rigging the primaries to favor Hillary Clinton. The scandal forced DNC chair Debbie Wasserman Shultz to resign. Although Hillary's people tried to portray this as a hack by Russia, to cast Hillary as a victim of international

intrigue, WikiLeaks, while not identifying the leak, denied it was Russia, and stated it was an "internal" leak. If Seth (who was in a perfect position to acquire the data) were the leak, that would be ample motive to murder him, as a warning to others inside the DNC not to blow any whistles.

Shortly after the killing, Redditors and social media users were pursuing a "lead" saying that Rich was en route to the FBI the morning of his murder, apparently intending to speak to special agents about an "ongoing court case" possibly involving the Clinton family.

A reward has been offered for information on this murder.

Charles Ruff was one of Clinton's attorneys during the impeachment trial and was known to have inside information on the White House e-mails scandal, as well. ## **Barry Seal**

### **CIA drug pilot**

Died: February 19, 1986

Now known to have been a gun and drug smuggler for the CIA, operating out of the Mena airport, Barry Seal had reportedly kept in contact with Bill Clinton's head of security at the governor's mansion, Raymond "Buddy" Young, the ex rodeo clown who is now the number 2 man at FEMA.

Following his fall from CIA grace, Barry was sentenced to live at a Salvation Army Housing Complex by a judge who also prohibited Barry Seal to either have any guns or to employ any bodyguards. Corruption doesn't become any more obvious than this. Barry was gunned down with machine gun fire in the parking lot of the Salvation Army Housing Complex.

In violation of the court order, Barry had hired bodyguards who worked a rotation schedule. But the bodyguard who was to be there when Barry was killed never showed up. That bodyguard, according to video producer Daniel Hopsicker, was a former associate (meaning drug pilot) of Barry's named William "Bear" Bottoms. Bottoms prowled the internet insisting that there never was any drug running operation at Mena, Arkansas.

## **Bill Shelton**

### **Arkansas state trooper and fiancé of Kathy Ferguson**

Died: June 1994

Allegedly committed suicide by shooting himself at the grave site of his fiancée. Officer Shelton was the fiancé of Kathy Ferguson, who was the ex-wife of Trooper Danny Ferguson. Kathy Ferguson also supposedly committed "suicide" June 1994, when she shot herself in her living room. Oddly, next to the body were her packed bags, as if she was expecting to be going somewhere. Danny Ferguson was a co-defendant along with

Bill Clinton in Paula Corbin Jones's sexual harassment suit. Kathy Ferguson was reported as a corroborating witness for Ms. Jones.

Arkansas. While officially declared a suicide, it is worth noting that Victor Thorn was at the height of his success, with a long line of successful books, including *Crowning Clinton: Why Hillary Shouldn't Be in the White House* and the *Hillary (And Bill)* trilogy, which were strong sellers. The trilogy had just been purchased for translation and foreign distribution.

## **Paul Tully**

### **Democratic National Committee Political Director**

Died: September 24, 1992

Found dead in a hotel room in Little Rock Arkansas of "unknown causes". No autopsy allowed. Described by Clinton as a "dear friend and trusted advisor". Tully authored several key strategies for Clinton and the party. Paul Tully, 48, Democratic National Committee political director and architect of a strategy to make the party competitive again in presidential elections, was found dead in his hotel room on September 24, 1992, in Little Rock, Arkansas of unknown causes. Authorities speculated his death was from a heart attack or stroke. In a press release then-presidential candidate Clinton called Mr. Tully "a dear friend and trusted advisor". He said, he was "deeply saddened by the loss". Tully devised a strategy of targeting states based on their value in the Electoral College and coordinating the presidential campaign with state and congressional races.

## **Gareth Williams**

### **MI6 Agent**

Died: August 16, 2010

Gareth Williams, an MI6 spy, who worked on both sides of the Atlantic, engaged in some unauthorized hacking by breaking into Bill Clinton's database of friends and connections, ostensibly to give to a friend in the media. This breach caused a diplomatic nightmare for MI6's new director, Sir John Sawers.

Gareth was found naked, padlocked into a sports bag, in his own bathtub. No fingerprints, palm prints, footprints or traces of William's DNA were found at the scene. The key to the padlock was inside the bag, underneath his body.

As usual, declared a suicide! The sheer absurdity of this claim provoked a public uproar, and the promoters of the suicide theory even went so far as to try to demonstrate how Williams could have inserted himself into the bag!

But even this charade failed to convince anyone and the police were finally forced to acknowledge William's murder even to the point of admitting, they had two suspects in the crime, who were never arrested.

## **Steve Willis**

## **Robert Williams**

## **Conway LeBleu**

## **Todd McKeehan**

### **Clinton bodyguards**

Died: February 28, 1993

"Executed" by gunfire in the Waco, Texas assault on the Branch Davidians. All four were examined by a "private doctor" and died from nearly identical wounds to the left temple, so-called execution style. According to Linda Thompson, videotapes and other evidence indicates, that none died from guns fired by Branch Davidians.

In his [address to employees of the Treasury Department](#) in the Cash Room on March 18, 1993, Clinton said: "My prayers and I'm sure, yours, are still with the families of all four of the Alcohol, Tobacco and Firearms agents, who were killed in WACO — Todd McKeehan and Conway Le Bleu of New Orleans, Steve Willis of Houston and Robert Williams from my hometown of Little Rock. Three of those four were assigned to my security during the course of the primary or general election."

However, the Little Rock, Arkansas office of the ATF confirmed, that all four had at one point been bodyguards for Bill Clinton, three while he was campaigning for President and while he had been governor of Arkansas. In the videotape by the American Justice Federation, "WACO II, the Big Lie Continues" Linda Thompson demonstrates, that 15 shots were fired from six separate weapons into and out of a room, into which three of the four agents had entered through a window. Four of these shots were fired from an overhead helicopter. An agent outside the window, firing an MP5 submachine gun, who

also threw in a concussion grenade, fired at least two shots into the room. In the autopsies of these agents three had virtually identical wounds to the left temple, that exited through the rear of the head, execution-style. A "private physician" treated all four.

## **Barbara Wise**

### **Commerce Department Staffer**

Died: November 29, 1996

As the scandals continued to swirl around the John Huang, one of Huang's associates, Barbara Wise, was found dead in her locked office on the fourth floor of the Department of Commerce, partially nude (by one report completely nude) and covered with bruises. No cause of death has ever been announced even though an autopsy was conducted (prior to next of kin being notified). Calls to the D.C. pathologist, Dr. Jaardemal have gotten an assurance that the bruises were not from being beaten but nothing else. Despite claims of ongoing illness, no record of a hospital visit in the months leading up to her death has surfaced. Oddly enough, following the discovery of her body, Bill Clinton made an unscheduled return to the White House from Camp David, claiming he needed a book of poetry in order to complete his inauguration speech.
